Dear Brethren,

As we move forward in Christ, it is critical that we go all out in spreading the good news of our Lord Jesus Christ through CFC to the entire United States especially in States where we are not yet present. In line with this major thrust of expanding our evangelization efforts and of strengthening CFC where we currently operate, I am very pleased to announce a realignment of the various regions of CFC-USA to take effect immediately. Based on the meeting of the CFC-USA National Council on March 14-15, 2009, we will now have 12 regions and their corresponding Regional Heads to cover the United States as described below.

May God bless our entire CFC community in the USA!
